- (a) affects in a substantial way, the scope or quality of the supplies or services or the performance of the works to be procured;

7. Costs to be included in Bid Price

The financial comparison shall be conducted in accordance with ITB Clause 36. The costs to be included in the bid price bid are:

- (a) the unit and total delivered price based on the delivery terms requested and the quantity specified in Section 6;
- (b) taxes, duties and levies;

8. Non-cost Factors to be included in Evaluated Price

The non-cost factors to be included in the evaluated price are:

- (a) Adjustment for deviations in the schedule of payment, if applicable.
- (b) Adjustment for deviations in the delivery schedule, if applicable.

9. Margin of Preference

- 9.1 If the BDS specifies a margin of preference to goods manufactured in Uganda for the purpose of bid comparison, the following procedures will apply:

- (a) The Procuring and Disposing Entity will first review the bids to confirm the appropriateness of the classification, and to identify the bid group classification of each based upon bidders' declaration of origin.
- (b) All evaluated bids in each group will then be compared to determine the lowest evaluated bid of each group. If, as a result of the preceding comparison, the lowest evaluated bid is from Group B it will be further compared with the lowest evaluated bid from Group A, after adding to the evaluated bid price of goods offered in the bid for Group B, for the purpose of further comparison only an amount equal to fifteen (15) percent of the ex-factory/ex-warehouse bid price. The lowest-evaluated bid determined from this last comparison shall be selected for the award.

10. Determination of Best Evaluated Bid or Bids

- 10.1 The bid with the lowest evaluated price, from among those which are eligible, compliant and substantially responsive shall be the best evaluated bid. If this Bidding Document includes more than one lot, the best evaluated bid shall be determined separately for each lot.

- 10.2 Notwithstanding paragraph 10.1, if this Bidding Document allows Bidders to quote different prices for single lots and for the award to a single Bidder of multiple lots, the Procuring and Disposing Entity shall conduct a further financial comparison to apply any conditional discounts. The bid or bids offering the lowest priced combination of all the lots shall be the best evaluated bid or bids.

E Post-qualification

The Procuring and Disposing Entity shall undertake a post qualification on the Best Evaluated Bidder to confirm whether the best evaluated bidder has the capacity and financial resources to execute the procurement.

3.1 It is the Government of Uganda’s policy to require that Procuring and Disposing Entities, as well as Bidders and Providers under Government financed contracts, observe the highest standard of ethics during the procurement and execution of such contracts. In pursuit of this policy, the Government of Uganda:

- (a) defines, for the purposes of this provision, the terms set forth below as follows:
 - (i) “corrupt practice” means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value, to influence the action of a public official in the procurement process or in contract execution; and

- (b) will suspend a firm, either indefinitely or for a stated period of time, from being awarded a Government funded contract if it at any time determines that the firm has engaged in corrupt, fraudulent, collusive or coercive practices in competing for, or in executing, a Government funded Contract.

3.2 The Provider shall permit the Government of Uganda to inspect the Provider’s accounts and records relating to the performance of the Provider and to have them

audited by auditors appointed by the Government of Uganda, if so required by the Government.

- 3.3 In pursuit of the policy defined in Sub-Clause 3.1, the Procuring and Disposing Entity may terminate a Contract for Supplies if it at any time determines that corrupt, fraudulent, collusive or coercive practices were engaged in by representatives of the Procuring and Disposing Entity or of a Provider, during the procurement or the execution of that contract, in accordance with GCC 36.1.

No amendment or other variation of the Contract shall be valid unless it is in writing, is dated, expressly refers to the Contract, and is signed by a duly authorised representative of each party thereto.

4.5 Non-waiver

- (a) Subject to GCC Sub-Clause 4.5(b) below, no relaxation, forbearance, delay, or indulgence by either party in enforcing any of the terms and conditions of the Contract or the granting of time by either party to the other shall prejudice, affect, or restrict the rights of that party under the Contract, neither shall any waiver by either party of any breach of Contract operate as waiver of any subsequent or continuing breach of Contract.

English unless specified otherwise in the SCC. 7. Eligibility

- 7.1 The Provider and its Subcontractors shall have the nationality of an eligible country. A Provider or Subcontractor shall be deemed to have the nationality of a country if it is a citizen or constituted, incorporated, or registered, and operates in conformity with the provisions of the laws of that country.

12. Delivery and Documents

Subject to GCC Sub-Clause 33.1, the Delivery of the Supplies and Completion of the Related Services shall be in accordance with the Delivery and Completion Schedule specified in the Statement of Requirements.

13. Provider's Responsibilities

The Provider shall provide all the Supplies and Related Services included in the Scope of Supply in accordance with GCC Clause 11, and the Delivery and Completion Schedule, as per GCC Clause 12.

14. Procuring and Disposing Entity's Responsibilities

- 14.1 Whenever the provision of Supplies and Related Services requires that the Provider obtain permits, approvals, and import and other licenses from local public authorities in Uganda, the Procuring and Disposing Entity shall, if so required by the Provider, make its best effort to assist the Provider in complying with such requirements in a timely and expeditious manner.
- 14.2 The Procuring and Disposing Entity shall pay all costs involved in the performance of its responsibilities, in accordance with GCC Sub-Clause 14.1.

15. Contract Price

- 15.1 The Contract Price shall be as specified in the Agreement subject to any additions and adjustments thereto, or deductions therefrom, as may be made pursuant to the Contract.
- 15.2 Prices charged by the Provider for the Supplies delivered and the Related Services performed under the Contract shall not vary from the prices quoted by the Provider in its bid, with the exception of any price adjustments authorised in the SCC.

16. Terms of Payment

- 16.1 The Contract Price shall be paid as specified in the SCC.
- 16.2 The Provider's request for payment shall be made to the Procuring and Disposing Entity in writing, accompanied by invoices describing, as appropriate, the Supplies delivered and Related Services performed, and by the documents submitted pursuant to GCC Clause 12 and upon fulfilment of all the obligations stipulated in the Contract.
- 16.3 Unless otherwise specified in the SCC, payments shall be made promptly by the Procuring and Disposing Entity, no later than thirty (30) days after submission of an invoice or request for payment by the Provider, and its certification by the Procuring

and Disposing Entity. The Procuring and Disposing Entity shall certify or reject such invoices or payment requests within five (5) days from receipt. Where such invoices or payment requests are rejected, the Procuring and Disposing Entity shall advise the Provider of the reasons for rejection.

- 16.4 The currency or currencies in which payments shall be made to the Provider under this Contract shall be specified in the SCC.

17 Advance Payment Guarantee

- 17.1 Unless otherwise stated in the SCC, where any payment is made in advance of delivery of any Supplies or Related Services, payment of the advance payment shall be made against the provision by the Provider of a bank guarantee or an on demand insurance bond with proof of re-insurance, for the same amount, and shall be valid for the period stated in the SCC.
- 17.2 Should the advance payment guarantee cease to be valid and the Provider fails to re-validate it, a deduction equal to the amount of the advance payment may be made by the Procuring and Disposing Entity from future payments due to the Provider under the contract.
- 17.3 If a Contract is terminated for any reason, the guarantee securing the advance may be invoked in order to recover the balance of the advance still owed by the Provider.

18. Taxes and Duties

- 18.1 Except as otherwise specifically provided in the SCC, the Provider shall bear and pay all taxes, import duties, and levies imposed on the Provider, by all municipal, state or national government authorities, both within and outside Uganda, in connection with the Supplies and Related Services to be supplied under the Contract.
- 18.2 Notwithstanding GCC Sub-Clause 18.1, and unless otherwise specified in the SCC, the Procuring and Disposing Entity shall bear and promptly pay all taxes, import duties, and levies imposed by law in Uganda on the Supplies and Related Services when such Supplies and Related Services are supplied from and delivered or completed outside Uganda.
- 18.3 If any tax exemptions, reductions, allowances or privileges may be available to the Provider in Uganda, the Procuring and Disposing Entity shall use its best efforts to enable the Provider to benefit from any such tax savings to the maximum allowable extent.
- 18.4 For the purpose of the Contract, it is agreed that the Contract Price specified in the Agreement is based on the taxes, duties, levies, and charges prevailing at the date twenty-eight (28) days prior to the date of bid submission in Uganda (called “tax” in this sub-clause). If any tax rates are increased or decreased, a new tax is introduced, an existing tax is abolished, or any change in interpretation or application of any tax occurs in the course of the performance of the Contract, which was or will be assessed on the Provider, its Subcontractors, or their employees in connection with performance of the Contract, an equitable adjustment to the Contract Price shall be made to fully take into account any such change by addition to or reduction from the Contract Price, as the case may be.

19. Performance Security

- 19.1 If so stated in the SCC, the Provider shall, within twenty-one (21) days of the

notification of contract award, provide a Performance Security for the due performance of the Contract in the amount and currency specified in the SCC or in a freely convertible currency acceptable to the Procuring and Disposing Entity.

- 19.2 The proceeds of the Performance Security shall be payable to the Procuring and Disposing Entity as compensation for any loss resulting from the Provider's failure to complete its obligations under the Contract.
- 19.3 The Performance Security shall be in one of the forms stipulated by the Procuring and Disposing Entity in the SCC, or in another form acceptable to the Procuring and Disposing Entity.
- 19.4 The Performance Security shall be discharged by the Procuring and Disposing Entity and returned to the Provider not later than twenty-eight (28) days following the date of completion of the Provider's performance obligations under the Contract, including any warranty obligations, unless specified otherwise in the SCC.

20. Copyright

The copyright in all drawings, documents, and other materials containing data and information furnished to the Procuring and Disposing Entity by the Provider herein shall remain vested in the Provider, or, if they are furnished to the Procuring and Disposing Entity directly or through the Provider by any third party, including Providers of materials, the copyright in such materials shall remain vested in such third party.

21. Confidential Information

- 21.1 The Procuring and Disposing Entity and the Provider shall keep confidential and shall not, without the written consent of the other party hereto, divulge to any third party any documents, data, or other information furnished directly or indirectly by the other party hereto in connection with the Contract, whether such information has been furnished prior to, during or following completion or termination of the Contract. Notwithstanding the above, the Provider may furnish to its Subcontractor such documents, data, and other information it receives from the Procuring and Disposing Entity to the extent required for the Subcontractor to perform its work under the Contract, in which event the Provider shall obtain from such Subcontractor an undertaking of confidentiality similar to that imposed on the Provider under GCC Clause 21.
- 21.2 The Procuring and Disposing Entity shall not use such documents, data, and other information received from the Provider for any purposes unrelated to the contract. Similarly, the Provider shall not use such documents, data, and other information received from the Procuring and Disposing Entity for any purpose other than the design, procurement, or other work and services required for the performance of the Contract.
- 21.3 The obligation of a party under GCC Sub-Clauses 21.1 and 21.2 above, however, shall not apply to information that:
- (a) the Procuring and Disposing Entity or Provider need to share with any institution participating in the financing of the Contract;
 - (b) now or hereafter enters the public domain through no fault of that party;

- (c) can be proven to have been possessed by that party at the time of disclosure and which was not previously obtained, directly or indirectly, from the other party; or
- (d) otherwise lawfully becomes available to that party from a third party that has no obligation of confidentiality.

21.4 The above provisions of GCC Clause 21 shall not in any way modify any undertaking of confidentiality given by either of the parties hereto prior to the date of the Contract in respect of the Supply or any part thereof.

21.5 The provisions of GCC Clause 21 shall survive completion or termination, for whatever reason, of the Contract.

22. Subcontracting

22.1 The Provider shall notify the Procuring and Disposing Entity in writing of all subcontracts awarded under the Contract if not already specified in the bid. Subcontracting shall in no event relieve the Provider from any of its obligations, duties, responsibilities, or liability under the Contract.

22.2 Subcontracts shall comply with the provisions of GCC Clauses 3 and 7.

23. Specifications and Standards

23.1 Technical Specifications and Drawings

- (a) The Provider shall ensure that the Supplies and Related Services comply with the technical specifications and other provisions of the Contract.
- (b) The Provider shall be entitled to disclaim responsibility for any design, data, drawing, specification or other document, or any modification thereof provided or designed by or on behalf of the Procuring and Disposing Entity, by giving a notice of such disclaimer to the Procuring and Disposing Entity.
- (c) The Supplies and Related Services supplied under this Contract shall conform to the standards mentioned in the Statement of Requirements and, when no applicable standard is mentioned, the standard shall be equivalent or superior to the official standards whose application is appropriate to the country of origin of the Supplies.

23.2 Wherever references are made in the Contract to codes and standards in accordance with which it shall be executed, the edition or the revised version of such codes and standards shall be those specified in the Statement of Requirements. 24. Packing and Documents

24.1 The Provider shall provide such packing of the Supplies as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the Contract. During transit, the packing shall be sufficient to withstand, without limitation, rough handling and exposure to extreme temperatures, salt and precipitation, and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Supplies' final destination and the absence of heavy handling facilities at all points in transit.

- 24.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified in the SCC, and in any other instructions ordered by the Procuring and Disposing Entity.

25. Insurance

Unless otherwise specified in the SCC, the Supplies provided under the Contract shall be fully insured, in a freely convertible currency from an eligible country, against loss or damage incidental to manufacture or acquisition, transportation, storage, and delivery, in accordance with the applicable Incoterm or in the manner specified in the SCC.

26. Transportation

Responsibility for transportation of the Supplies shall be in accordance with the Incoterm specified in the SCC.

27. Inspections and Tests

- 27.1 The Provider shall at its own expense and at no cost to the Procuring and Disposing Entity carry out all such tests and/or inspections of the Supplies and Related Services as are specified in the Statement of Requirements.
- 27.2 The inspections and tests may be conducted on the premises of the Provider or its Subcontractor, at point of delivery, and/or at the Supplies' final destination, or in another place in Uganda as specified in the Statement of Requirements. Subject to GCC Sub-Clause 27.3, if conducted on the premises of the Provider or its Subcontractor, all reasonable facilities and assistance, including access to drawings and production data, shall be furnished to the inspectors at no charge to the Procuring and Disposing Entity.
- 27.3 The Procuring and Disposing Entity or its designated representative shall be entitled to attend the tests and/or inspections referred to in GCC Sub-Clause 27.2, provided that the Procuring and Disposing Entity bears all of its own costs and expenses incurred in connection with such attendance including, but not limited to, all travelling and board and lodging expenses.
- 27.4 Whenever the Provider is ready to carry out any such test and inspection, it shall give a reasonable advance notice, including the place and time, to the Procuring and Disposing Entity. The Provider shall obtain from any relevant third party or manufacturer any necessary permission or consent to enable the Procuring and Disposing Entity or its designated representative to attend the test and/or inspection.
- 27.5 The Procuring and Disposing Entity may require the Provider to carry out any test and/or inspection not required by the Contract but deemed necessary to verify that the characteristics and performance of the Supplies comply with the technical specifications codes and standards under the Contract, provided that the Provider's reasonable costs and expenses incurred in the carrying out of such test and/or inspection shall be added to the Contract Price. Further, if such test and/or inspection impedes the progress of manufacturing and/or the Provider's performance of its other obligations under the Contract, due allowance will be made in respect of the Delivery Dates and Completion Dates and the other obligations so affected.

- 27.6 The Provider shall provide the Procuring and Disposing Entity with a report of the results of any such test and/or inspection.
- 27.7 The Procuring and Disposing Entity may reject any Supplies or any part thereof that fail to pass any test and/or inspection or do not conform to the specifications. The Provider shall either rectify or replace such rejected Supplies or parts thereof or make alterations necessary to meet the specifications at no cost to the Procuring and Disposing Entity, and shall repeat the test and/or inspection, at no cost to the Procuring and Disposing Entity, upon giving a notice pursuant to GCC Sub-Clause 27.4.
- 27.8 The Provider agrees that neither the execution of a test and/or inspection of the Supplies or any part thereof, nor the attendance by the Procuring and Disposing Entity or its representative, nor the issue of any report pursuant to GCC Sub-Clause 27.6, shall release the Provider from any warranties or other obligations under the Contract.

28. Liquidated Damages

If so stated in the SCC and except as provided under GCC Clause 33, if the Provider fails to deliver any or all of the Supplies or perform the Related Services within the period specified in the Contract, the Procuring and Disposing Entity may without prejudice to all its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to the percentage specified in the SCC of the Contract Price for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the percentage specified in those SCC. Once the maximum is reached, the Procuring and Disposing Entity may terminate the Contract pursuant to GCC Clause 36.

29. Warranty

- 29.1 The Provider warrants that all the Supplies are new, unused, and of the most recent or current models, and that they incorporate all recent improvements in design and materials, unless provided otherwise in the Contract.
- 29.2 Subject to GCC Sub-Clause 23.1, the Provider further warrants that the Supplies shall be free from defects arising from any act or omission of the Provider or arising from design, materials, and workmanship, under normal use in the conditions prevailing in Uganda.
- 29.3 Unless otherwise specified in the SCC, the warranty shall remain valid for twelve (12) months after the Supplies, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the SCC, or for eighteen (18) months after the date of shipment or loading in the country of origin, whichever period concludes earlier.
- 29.4 The Procuring and Disposing Entity shall give notice to the Provider stating the nature of any such defects together with all available evidence thereof, promptly following the discovery thereof. The Procuring and Disposing Entity shall afford all reasonable opportunity for the Provider to inspect such defects.
- 29.5 Upon receipt of such notice, the Provider shall, within two weeks or such other period specified in the SCC, expeditiously repair or replace the defective Supplies or parts thereof, at no cost to the Procuring and Disposing Entity.
- 29.6 If having been notified, the Provider fails to remedy the defect within the period

specified in Sub-Clause 29.5, the Procuring and Disposing Entity may proceed to take within a reasonable period such remedial action as may be necessary, at the Provider's risk and expense and without prejudice to any other rights which the Procuring and Disposing Entity may have against the Provider under the Contract.

30. Patent Indemnity

30.1 The Provider shall, subject to the Procuring and Disposing Entity's compliance with GCC Sub-Clause 30.2, indemnify and hold harmless the Procuring and Disposing Entity and its employees and officers from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney's fees and expenses, which the Procuring and Disposing Entity may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered or otherwise existing at the date of the Contract by reason of:

- (a) the installation of the Supplies by the Provider or their use in Uganda or where the Site is located; and
- (b) the sale in any country of the products produced by the Supplies.

Such indemnity shall not cover any use of the Supplies or any part thereof other than for the purpose indicated by or to be reasonably inferred from the Contract, neither any infringement resulting from the use of the Supplies or any part thereof, or any products produced thereby in association or combination with any other equipment, plant, or materials not supplied by the Provider, pursuant to the Contract.

30.2 If any proceedings are brought or any claim is made against the Procuring and Disposing Entity arising out of the matters referred to in GCC Sub-Clause 30.1, the Procuring and Disposing Entity shall promptly give the Provider a notice thereof, and the Provider may at its own expense and in the Procuring and Disposing Entity's name conduct such proceedings or claim and any negotiations for the settlement of any such proceedings or claim.

30.3 If the Provider fails to notify the Procuring and Disposing Entity within twenty-eight (28) days after receipt of such notice that it intends to conduct any such proceedings or claim, then the Procuring and Disposing Entity shall be free to conduct the same on its own behalf.

30.4 The Procuring and Disposing Entity shall, at the Provider's request, afford all available assistance to the Provider in conducting such proceedings or claim, and shall be reimbursed by the Provider for all reasonable expenses incurred in so doing.

30.5 The Procuring and Disposing Entity shall indemnify and hold harmless the Provider and its employees, officers, and Subcontractors from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney's fees and expenses, which the Provider may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered or otherwise existing at the date of the Contract arising out of or in connection with any design, data, drawing, specification, or other documents or materials provided or designed by or on behalf of the Procuring and Disposing Entity.

31. Limitation of Liability

Except in cases of gross negligence or wilful misconduct:

- (a) neither party shall be liable to the other party for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the Provider to pay liquidated damages to the Procuring and Disposing Entity; and
- (b) the aggregate liability of the Provider to the Procuring and Disposing Entity, whether under the Contract, in tort, or otherwise, shall not exceed the total contract value or such other amount specified in the SCC, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment, or to any obligation of the Provider to indemnify the Procuring and Disposing Entity with respect to patent infringement.

32. Change in Laws and Regulations

Unless otherwise specified in the Contract, if after the date of the Bidding Document, any law, regulation, ordinance, order or bylaw having the force of law is enacted, promulgated, abrogated, or changed in Uganda or where the Site is located (which shall be deemed to include any change in interpretation or application by the competent authorities) that subsequently affects the Delivery Date and/or the Contract Price, then such Delivery Date and/or Contract Price shall be correspondingly increased or decreased, to the extent that the Provider has thereby been affected in the performance of any of its obligations under the Contract. Notwithstanding the foregoing, such additional or reduced cost shall not be separately paid or credited if the same has already been accounted for in the price adjustment provisions where applicable, in accordance with GCC Clause 15.

33. Force Majeure

- 33.1 The Provider shall not be liable for forfeiture of its Performance Security, liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.
- 33.2 For purposes of this Clause, “Force Majeure” means an event or situation beyond the control of the Provider that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the Provider. Such events may include, but not be limited to, acts of the Government of Uganda in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.
- 33.3 If a Force Majeure situation arises, the Provider shall promptly notify the Procuring and Disposing Entity in writing of such condition and the cause thereof. Unless otherwise directed by the Procuring and Disposing Entity in writing, the Provider shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

34. Change Orders and Contract Amendments

- 34.1 The Procuring and Disposing Entity may at any time order the Provider through notice in accordance with GCC Clause 8, to make changes within the general scope of the Contract in any one or more of the following:

- (a) drawings, designs, or specifications, where Supplies to be furnished under the Contract are to be specifically manufactured for the Procuring and Disposing Entity;
 - (b) the method of shipment or packing;
 - (c) the place of delivery; and
 - (d) the Related Services to be provided by the Provider.
- 34.2 If any such change causes an increase or decrease in the cost of, or the time required for, the Provider's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or in the Delivery/Completion Schedule, or both, and the Contract shall accordingly be amended. Any claims by the Provider for adjustment under this Clause must be asserted within twenty-eight (28) days from the date of the Provider's receipt of the Procuring and Disposing Entity's change order.
- 34.3 Prices to be charged by the Provider for any Related Services that might be needed but which were not included in the Contract shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the Provider for similar services.

35. Extensions of Time

- 35.1 If at any time during performance of the Contract, the Provider or its subcontractors should encounter conditions impeding timely delivery of the Supplies or completion of Related Services pursuant to GCC Clause 12, the Provider shall promptly notify the Procuring and Disposing Entity in writing of the delay, its likely duration, and its cause. As soon as practicable after receipt of the Provider's notice, the Procuring and Disposing Entity shall evaluate the situation and may at its discretion extend the Provider's time for performance, in which case the extension shall be ratified by the parties by amendment of the Contract.
- 35.2 Except in case of Force Majeure, as provided under GCC Clause 33, a delay by the Provider in the performance of its Delivery and Completion obligations shall render the Provider liable to the imposition of liquidated damages pursuant to GCC Clause 28, unless an extension of time is agreed upon, pursuant to GCC Sub-Clause 35.1.

36. Termination

- 36.1 The Procuring and Disposing Entity may, by not less than thirty days written notice of termination to the Provider (except in the event listed in paragraph (f) below, for which there shall be a written notice of not less than sixty days), such notice to be given after the occurrence of any of the events specified in GCC Clause 36.1 (a) to (g), terminate the Contract if:
- (a) the Provider fails to remedy a failure in the performance of its obligations within thirty days or within such other period agreed between the Parties in writing;
 - (b) the Provider becomes, or if any of the Provider's members becomes, insolvent or bankrupt or enters into any agreements with their creditors for relief of debt or take advantage of any law for the benefit of debtors or go into liquidation or receivership whether compulsory or voluntary other than for a reconstruction or amalgamation;

- (c) the Provider fails to comply with any final decision reached as a result of arbitration proceedings pursuant to GCC Clause 10.2 hereof;

 - (e) the Provider is unable as the result of Force Majeure, to perform a material portion of the Services for a period of not less than sixty days;
 - (f) the Procuring and Disposing Entity, in its sole discretion and for any reason whatsoever, decides to terminate the Contract;
 - (g) the Provider, in the judgment of the Procuring and Disposing Entity, has engaged in corrupt, fraudulent, collusive or coercive practices in competing for or in executing the Contract; or
 - (h) where the Tribunal directs that a contract should be terminated.
- 36.2 The Provider may, by not less than thirty days written notice to the Procuring and Disposing Entity, such notice to be given after the occurrence of any of the events specified in GCC Clause 36.2 (a) to (d) terminate the Contract if:
- (a) the Procuring and Disposing Entity is in material breach of its obligations pursuant to the Contract and has not remedied the same within thirty days (or such longer period as the Provider may have subsequently approved in writing) following the receipt by the Procuring and Disposing Entity of the Provider's notice specifying such breach;
 - (b) the Provider is unable as the result of Force Majeure, to perform a material portion of the Services for a period of not less than sixty days; or
 - (c) the Procuring and Disposing Entity fails to comply with any final decision reached as a result of arbitration pursuant to GCC Clause 10.2 hereof.
