### 3. TERMS & CONDITIONS

Land shall be allocated to Investors on the following conditions:

1. Only entities recognized under the Companies Act of Uganda and qualifying Government Agencies for purposes of doing business or similar activities shall be eligible for UIA land allocation.
2. An initial lease offer of 5 years, within which the Investor would have undertaken substantial development on the land. This term to be extended to a full term of 49 years (or as may be determined by the UIA Board) upon satisfactory development of allocated land.
3. Those allocated investment land shall pay a premium and ground rent as shall be determined by the UIA Board (See notes in 4 below), unless the land is subsidized in line with the government policy on prioritized investment sectors.
4. (a) Investors allocated fully subsidized land (for government prioritized investment sectors) to provide a performance security in form of a bank or insurance bond equivalent to 10% of the value of the leased land valid for 18 months within which period the conditions in subsection (iv) below should have been achieved.  
 (b) Within 12 months from the date of allocation, the investor should have started development of the land in terms of approved building plans, approved EIA and commenced physical construction; failure of which the lease shall automatically lapse and land shall revert back to UIA and the performance bond will be cashed and the proceeds forfeited to the state.
5. The investor company allocated UIA Investment land shall not change the Shareholders for the first 5 years.
6. Priority will be given to the priority sectors as guided by Government's priority listing of investments.
